Iconic Level Seven

The building's common area is not just an amenity, it's an extension of your luxury lifestyle and arguably the best viewpoint in Carlton.

- **World-Class Level 7 Terrace:** Host unforgettable gatherings against a backdrop of the spectacular Melbourne skyline. It features direct views South across the historic Carlton Gardens to the CBD and East toward the rolling Dandenong Ranges.
- **Excellent Facilities:** The space features a BBQ area, a Super-Sized TV Screen for movies/sports, a Full Kitchen, a Private Dining Area, and a quiet Library Area.

Unbeatable Location

Positioned directly on the Nicholson Street tram line, you are literally minutes from the heart of the city and a gentle stroll from the acclaimed dining, cultural, and retail hubs of Carlton, Fitzroy and Collingwood.

Exceptional Cash Flow

For the astute property investor, this apartment represents a compelling financial opportunity:

- **Outstanding Rental Yield:** This high demand property offers a possible **gross rental yield of approximately 6.5%**. This significantly exceeds the typical inner-city Melbourne unit benchmark and with this pricing and location, interest repayments are likely to be lower than the market rental rates. Buyers should consult their financial specialist to review their individual financial positions.
- **Low Holding Costs:** Combined with **exceptionally low Body Corporate fees**, this modern, in-demand residence is engineered for superior cash flow and long-term financial performance.

A MUST-SEE: This is more than just an apartment; it's a lifestyle upgrade and a strategic investment. Don't miss this rare chance to secure a high-performing asset in one of Melbourne's most desirable locations.

Don't just live in Carlton, command the view and the yield.
